

Fall Soccer 2022

We are delighted to have 391 players in our traditional league in addition to 28 players in our Integrated (special needs) league on 50 different teams We have made every effort to place families together but with this many children, it is a tough job. Practice will begin the week of August 8 on your night listed below from 6:00-7:00 at 3409 Hursh Road. We are aware many schools will have back-to-school nights so do what you can to make part of practice to meet your coaches. Our first game will be August 20. Schedule coming soon. Uniforms will be in by the second practice.
